Library of Virginia to bring new state-of-the-art mobile programming vehicle to Massanutten Regional Library

RICHMOND, VIRGINIA – The Library of Virginia will bring its state-of-the-art vehicle, LVA On the Go, to the Massanutten Regional Library, 174 S. Main St., Harrisonburg, VA, on Saturday, Sept. 16 from noon to 4 p.m.

Debuting as part of the Library's yearlong 200th anniversary celebration, LVA On the Go will bring some of the Library's vast resources, staff expertise and programming to every corner of the commonwealth. The statewide tour is designed to enhance awareness of the Library's collections and resources, strengthen ties to local organizations, capture stories and histories from community members and provide a memorable and fun experience.

"As we approach our third century, it's important that we offer additional ways for individuals of all ages who may not ever have the opportunity to visit us in Richmond to learn about our rich and diverse collections and programs and share their stories," said Librarian of Virginia Sandra Treadway. "Our custom-built vehicle presents opportunities to connect to a wider audience across the state."

Attendees at the Massanutten Regional Library event can explore research resources, register for a Library card, discuss regional and family history, discover educational materials and enjoy children's activities. There will also be Library staff presentations and activities as follows:

- 12:30 p.m. – Virginia Chronicle (newspaper collections)
- 1:00 p.m. – Genealogy 101
- 2:00 p.m. – Virginia Untold: The African American Narrative
- 3:00 p.m. – LVA Digital Resources
